

RELIABLE EQUIPMENT & SERVICE CO., INC.

ANCHOR ROD
PULLING EYE

REL-PE

The sliding wedge grip of the REL-PE pulling eye will provide positive pulling force for your 1/2" to 1" guy wire tensioning applications. Remove the wedge and grip 1-1/4" rods.

The oversized offset eye will accept the hook of up to a 3 ton hoist while the anchor rod eye remains free for connection of an automatic or preformed type deadend guying devices.

The safety yellow coating provides protection from the elements and extremely high visibility in the field.

This five pound powerhouse features a safe working load of 6,000 lbs. and an ultimate breaking strength of 30,000 lbs.
