REL-SPP

HYDRAULIC SIGN POST PULLER

The **REL-SPP** will pull flanged type and irregular shaped sign posts and poles up to 8 inches in diameter.

Pull flanged type posts using the gripping jaw, or utilize the included chain to wrap around the pole and secure in the frame slots.

The REL-SPP combines 9,800 lbs. of pulling force with an 8 inch stroke to provide the power required for almost any application.
